September 2012

Greetings Parents/Guardians:

This letter is to inform you that we utilize a “yearly” permission slip to Carter Woods Park and any Walking Field Trips to allow us alternative sites around the school for extended instruction of the curriculum. Staff members would supervise students as we walk.

As we work with your children in increasing their knowledge base around their environment, Carter Woods Park offers our school a unique classroom setting to complete exploratory activities. Examples of walking field trip are “Fit & Fifteen”, Healthy Kids Walk, etc.

Please return this letter indicating your consent for us to go off campus with your child. If you have any questions or concerns, please contact me at Badger School. I can be reached at (920) 832-6264. Please return to Badger’s office or your child’s teacher.

Thank you for your support in this matter.
