Appleton North Cheer & Dance Tryouts

A Storm is brewing... It's a Lightning Storm! It's the new Appleton North Youth Cheer & Dance Team - the Appleton North Storm! Here's your chance to be part of the action.

Cheer, dance, stunt, tumble and compete!

The Appleton North Lightning Performance Team Program has earned multiple titles including 9 State Cheer Championships, 2 National Cheer Championships and 1 National Dance Championship. Become part of a new tradition of excellence. Join the Storm!

The program is open to athletes in grades 5-8. The season will run from October – February. There will be an informational meeting on Wednesday, October 5th at 6:30 pm at Appleton North High School.

If you have additional questions, please feel free to contact Heidi Brooks at brooksheidi@asds.k12.wi.us or 851-4543.

Riding Lessons at Meadowood

The focus of our lesson program is to teach the student horse care and the skill of riding in a safe, positive environment.

Each private lesson includes:

- U Feeding & grooming a horse
- U Preparing a horse for riding
- U 35 minutes of individualized riding or driving instruction in an all season indoor riding arena

7 years and under: \$20 for a 30 minute private lesson

7 years– adult: 1 hour lesson \$35 (package deals also available.)

Each lesson is tailored to the individual's goals and abilities. Whether you are a beginner or an experienced rider who wants to improve your riding skills, Meadowood will work with you! Students develop a greater sense of responsibility, self-esteem, and confidence. Riding is also a great workout.

N9250 Boettcher Road, Brillon

Meadowood is offering a special... first two lessons for the price of one!

For information or to schedule a lesson call 920-251-9154

- *Music
- *Dancing
- *Foosball
- *Pool
- *Air Hockey
- *Wii Games
- *Outdoor activities including a campfire and marshmallows

Call Shane at 733-9622 for more information!

The Whole Child Learning CompanySM

WOW Worlds of Wonder

Worlds of Wonder offers exciting educational enrichment opportunities for your school age children. Kids have fun while learning in our hands-on, active classes that will engage their problem solving skills and creativity.

2011 Fall Programs:

WOW Bugs: This program explores the wonderful world of insects. The curriculum is aligned with National Science Standards and includes experiments, observation, measurement and recording data.

WOW Gross Out! Chemistry: Boom, splat, slime, ooze, fizz - have a blast and make a mess as the science behind chemical reactions is explored. Students will form hypotheses, record data and draw conclusions just like real scientists!

WOW LEGO Simple & Motorized Machines: This S.T.E.M class gives students a fundamental understanding of simple machines, structures, and mechanisms. Students will experiment with balanced and unbalanced forces and friction; measure distance, time, speed and weight.
