Dear Ms. Dordel:

I would like to take the opportunity to congratulate Columbus Elementary School for receiving the *Wisconsin Promise School of Recognition* award. The educational achievements of your students are very impressive. Your school serves as an inspiration for all schools in the Appleton Area School District and across the state. I will be in attendance at the ceremony in Madison on October 20, 2009 from noon to 1.

It is a privilege to represent the city of Appleton. I encourage you to contact me with any matters of concern. Thank you for all your hard work.

Sincerely, *Keep up the good work.*
