

EPA Meeting Dates 2011 - 2012

East Parents' Association meetings are held on the first Thursday of each month. Since the collaboration of the parents and staff is one of the primary purposes of the EPA, meetings are held during the school day so administrators are able to easily attend. Meetings are at 9 a.m. in the Office Conference Room and every parent or guardian is invited to attend. If you have ideas, concerns or thoughts, please feel free to share them with an EPA representative and we will address them on your behalf.

Each class has a representative who acts as a liaison for students and families of that year. You can link to the list of EPA Board and Class Representatives from our page on the East web site.

We look forward to seeing you at an EPA meeting soon.
