

Ferber 2009 Fundraising Opportunities

No Fuss Fundraiser is the easiest way to support the great programs at Ferber. There's no time commitment, no products to buy, no hassles. Just simply send in your tax-deductible donation. Information will be sent home with students in September about this hassle-free new idea!

Entertainment Book is an opportunity for each family to purchase one or more of these discount coupon books in the fall. For every book we sell at \$30, we will earn a portion of the sales, anywhere from \$8 to \$15 per book. The more we sell, the more we get back for each book. The 2009 edition will include coupons for some new local restaurants. Family and friends from other areas can order their local editions, from you. Use the coupons whenever you go out or travel, and you'll be sure to save \$30 or more.

Market Day is a fundraiser that lets you eat what you buy and come back for more the next month. We hold monthly sales of Market Day products, mostly frozen food products that are restaurant quality. Ordering is easy at www.marketday.com. Become a "Frequent" Buyer and earn free goodies. You can't go wrong, there's even a money-back guarantee from Market Day, which has been helping schools for over 30 years.

Box Tops for Education is a program from General Mills that turns trash into cash. Participating products have a Box Top label. We collect and submit Box Tops twice each year at specified times. General Mills donates 10¢ for each label submitted. So, don't throw out your dimes! Clip and save the Box Tops labels from products you buy. Please make sure they haven't expired and the date is visible. Put the labels in a Ziploc bag and send to school with your child. A list of participating products can be found at www.boxtops4education.com

Ferber 2009 Fundraising Opportunities

Continued

Upromise School Program is an exciting fundraising program that helps parents save for college. Whether you're currently a Upromise member, or join through this program, you can raise money for our school by participating in select Upromise programs, such as dining out, groceries, gas, or shopping online. Examples of participating companies are Copps, Piggly Wiggly, Mobil, Papa Johns, Target, and Bed, Bath and Beyond. It is a win-win for us and our school! You can learn more about this by visiting www.upromise.com/schools. If you are already a member, link your account to our school account today!

Target's REDcard will give Ferber 1% of total purchases when you use the credit card at Target or Target.com and ½% when you use it elsewhere. All you have to do is designate Edna Ferber Elementary School when enrolling. If you already have a card and have not enrolled, you can do this online or at the store. Currently, Ferber has received over \$3,000 from this program. It is easy money for Ferber PTO to use for our many programs for our children.

Campbell's Labels for Education - The Campbell's Labels for Education program provides a large variety of educational equipment in return for the Campbell's Labels for Education symbols and barcodes found on their products. Their products include Campbell's soup, V-8 beverages, Swanson products, and Pepperidge Farm products. Please visit www.labelsforeducation.com for an entire list of products. Please cut out the entire label and UPC symbol and drop them off in the lobby at Ferber. There is a collection bin labeled Campbell Soup. Call Theresa Braatz @ 954-5903 regarding questions.

Milk Caps – Previously, Ferber students had collected Milk Moola and Kemps Nickels for School and donated them to another school in the Appleton school district. Although we will continue to collect specially marked milk caps, our school will be submitting them, and the money raised will go into the Ferber PTO General Fund. Students can bring their milk caps to school and deposit them in the collection bin in the front entrance. Please rinse caps before sending them to school.
