

## Become a Scrip Program Volunteer

The Scrip program is a unique program to help raise extra funds for Foster Elementary. Families earn money for the school by making everyday purchases such as groceries, gas, gifts, clothes, and home improvement items.

Here's how it works. The Scrip program buys gift certificates or debit cards from a national company and from local businesses at a discount. Then, our school resells the certificates at face value to families who use them like cash for their purchases at participating businesses. There are over 600 businesses in the program with discounts varying from 2%-15%.

We are looking for volunteers to help our school start a Scrip program. This person or persons will

help promote the program and recruit and organize volunteers to sell Scrip cards at locations throughout our community and at special school events.

If you are interested in volunteering or would like more information, please contact Amy Putzer at [amyputzer@gmail.com](mailto:amyputzer@gmail.com) or 205-5001.

### impact on foster elementary

If **50 families** used Scrip cards to purchase monthly groceries (\$300/month) and gas (\$200/month), **Foster could earn approximately \$850 in a single month.**
