

POLICY IMPLEMENTATION

The Superintendent has responsibility for implementing, through supplementary regulations and directives, the policies established by the Board.

The policies developed by the Board, and the regulations developed by the Superintendent to implement them, are intended to achieve an effective and efficient school district.

Administrators and supervisors are responsible for informing staff members in their schools and/or departments of existing policies and regulations and for seeing that they are implemented effectively.

District employees, students, and other persons affected by administrative regulations and directives that are not in conflict with Board policy are expected to follow and adhere to such regulations and directives.
