

PROTECTION OF PUPIL RIGHTS IN RESEARCH

All instructional materials, including teacher's manuals, films, tapes, or other supplementary instructional materials which will be used in connection with any research for experimentation program or project, shall be available for inspection by the parents or guardians of the children engaged in such program or project. For the purpose of this policy, "research or experimentation program or project" means any program or project in any applicable program designed to explore or develop new or unproven teaching methods or techniques.
