

USE OF SCHOOL FACILITIES BY NON-CURRICULUM STUDENT GROUPS

No instructional or non-instructional times during the regularly scheduled school day will be set aside for non-curriculum student groups to meet within the School District.

All curriculum related organizations that will be allowed to meet must be sanctioned or recognized by the Board of Education.

All student meetings or activities on school premises must be approved in advance by the appropriate principal. The principal shall approve such meetings only if the meeting or activity is related to the school curriculum as determined by that principal.
