

Appleton Area School District 2017 – 2018

Preliminary Testing Schedule

Test Window	Assessment
TBD via the CSI Director of Social Studies, HS CSS and HS Principals	Civics Assessment: Beginning with the graduating class of 2016-17, a high school diploma may not be granted until students have taken and passed, with a score of 60 or better, the assessment; a special needs student's individualized plan governs the civics exam requirements. The IEP team must determine the appropriateness of administering the state civics exam, as well as whether it is appropriate to require that the student pass the civics exam in order to graduate.
