## **School Age Summer Care 2017**

The Appleton YMCA School Age Department offers full day care for children ages 5-12 yrs. at the following school sites during the summer months: **Edna Ferber and Janet Berry**. Children must be registered for a minimum of 2 days/wk. for which ever weeks you choose to attend.

In addition to full day care, we will also offer wrap around care for those weeks of summer school. Half day rates will apply during these weeks only except on Tuesday. (**Tuesday is a designated fieldtrip day. Only full day care option is available as we do not have a staff member stay back for those children who attend summer school. Please choose an alternative site location or join us for the full day fieldtrip.**) Our registration brochure outlines full details, site selections and how to register online.

Be assured your child/ren will be in a safe, caring environment filled with a variety of fun and enrichment-type activities that will include large/small group games, themed activities, outdoor play, arts & crafts, swimming, fieldtrips and much much more.
