Course Descriptions

****When looking at grade level, use grade entering in fall.*

Kindergarten, Here I Come

\$15.00 fee

Grade 5K

This course is designed to introduce and/or reinforce basic readiness skills for kindergarten. *Class meets from 8:30-11:30*

1st Grade Here I Come

\$15.00 fee

Grade 1

A course designed for children who have completed kindergarten. Students will continue the curriculum from kindergarten, doing enriching math, reading, writing, science, social studies, computers, physical education, and art activities. *Class meets from 8:30-11:30*

2nd Grade Reading Adventures

\$5.00 fee

Grade 2

Students will listen, read and respond to a variety of literature and informational texts for the purpose of identifying their interests and expanding their knowledge of different genres. Students learn to select "just-right" books and are matched to appropriate texts so that they can read for meaning and fluently apply reading strategies and foundational skills during guided practice. Students use writing and illustration to express their ideas. Lessons in language/word study are brief, focused, and engaging.

3rd – 4th Grade Reading Adventures

\$5.00 fee

Grades 3-4

Students read and respond to a wide variety of literature and informational texts. Students learn to select "just right texts", apply reading strategies, and demonstrate understanding of texts read by asking and answering questions during collaborative discussions. In addition, students write in a variety of ways to share their connections, build upon their knowledge, and express ideas. Lessons in language/word study will develop their understanding of concepts, vocabulary, and grammar.

5th – 7th Grade Reading Adventures

\$5.00 fee

Grades 5-7

Students learn to select and read from a variety of short literature and informational texts representing several genres, formats, and perspectives. They apply reading strategies to understand what is read, describe characters, determine main idea/key details, examine theme, and identify the narrator's point of view. Students read closely, identifying text evidence to support their written reflections and collaborative conversations. Students use their knowledge of language and word study to support understanding while continuing to develop fluency and accuracy.

Advanced Creative Woodshop

\$10.00 fee

Grades 3-7

Advanced woodworking is for those children who are pretty capable of using a hammer and hand saw to make things out of wood. Parents are encouraged to provide leather gloves for their child to help guard against splinters and abrasions and an old shirt or smock to work in. Projects done last year may be repeated again this year.

Basic Computer Programming

\$5.00 fee

Grades 3-7

Students will learn how to use Scratch and program their own interactive stories, games, and animations. Scratch helps young people learn to think creatively, reason systematically, and work collaboratively. Other appropriate elementary focused programs and games may also be used, including Google Docs, Sheets, Slides, Forms, Drawings, and Sites.

Beginning Creative Woodshop

\$10.00 fee

Grades 2-7

Basic use of non-power woodworking tools for sawing, sanding, assembling, and finishing. The beginner's class is for those children with little or no experience with using hand tools. Parents are encouraged to provide leather gloves for their child to help guard against splinters and abrasions and an old shirt or smock to work in.

Bits and Bytes	\$5.00 fee	Grades 2-3
Students will learn about technology of the 21 st century. Google Drive, Slides, Sheets, and Sites will be used to create and save work in the cloud. Projects will be used to enhance knowledge of technology and skills needed.		
Board Silly	\$5.00 fee	Grades 2-4
Read and discuss 3 different and exciting books and then make your own game to go with each one. The last week you may select your own book. This is your chance to be clever, create challenges, and fill your games with surprises, suspense, and traps!		
Booking and Cooking	\$10.00 fee	Grades 2-4
This course integrates literacy and cooking. Each day, children will read and respond to quality children's literature. It will be delectable class for those with a taste for good books and good food.		
Brain Games	\$5.00 fee	Grades 2-7
Does your brain need a workout this summer? This is the class for you! Learn the skills of logic while playing board games and working on activities that will challenge and test your skills of logic, memory and reasoning!		
Crafts, Jewelry, and More	\$10.00 fee	Grades 2-4
Create a variety of crafts and jewelry. Projects might include colorful bracelets, necklaces, or even pins using a variety of materials. May also design your own beads and use them to create original jewelry works of art.		
Crazy Chemistry & More	\$10.00 fee	Grades 4-7
Activities and experiments are designed to give a hands-on approach to many of the exciting and fun concepts of science.		
Creating Cars, Comics, and Creatures	\$10.00 fee	Grades 2-4
This isn't your ordinary crafts class! Projects will be centered around transportation, superheroes, monsters, and more.		
Eco Adventures	\$10.00 fee	Grades 2-3
Students will discover through hands-on experiments and exploration many nature aspects of science, emphasizing on plants, animals, and insects.		
Introductory Keyboarding & More	\$5.00 fee	Grades 3-7
The ability to type is an important skill in today's technology-driven world. This computer keyboarding class is designed for students with little or no previous keyboarding (typing) experience. In this course the student will learn the alphabetic keyboarding technique. The class will emphasize the development of typing speed and accuracy. Younger students enrolling in this class must have the ability to concentrate for long periods of time.		
Lawn Games	\$5.00 fee	Grades 4-7
Learn to play lawn games such as badminton, croquet, Frisbee golf and horseshoes. Game skills will be taught and emphasized, with whole game play possible as time and weather permit.		
Math Reinforcement for 2nd Grade	\$5.00 fee	Grade 2
This course is designed for students who need assistance and practice with counting, addition and subtraction, telling time, place value, and solving word problems.		
Math Reinforcement for 3rd-4th Grade	\$5.00 fee	Grades 3-4
This course is designed for students who need assistance and practice with addition and subtraction, multiplication and division, place value, telling time, identifying and counting money, understanding of fractions as numbers and solving word problems.		
Math Reinforcement for 5th - 7th Grade	\$5.00 fee	Grades 5-7
This course is designed for students who need assistance and practice with multiplication and division, operations with multi-digit whole numbers and decimals, telling time, equivalence and ordering of fractions, unit fractions, operations with fractions, counting money and making change, and solving word problems.		
No-Bake Cooking	\$10.00 fee	Grades 3-7
Learn the basics of cooking in safe and fun environment. No-bake cooking provides students exposure to fundamental cooking skills without having to use an oven.		
Passport to Adventure	\$10.00 fee	Grades 3-7
Let your imagination travel as you learn about how children live in other parts of the world. We will share food, recipes, sports, games, crafts and songs from other countries. Come and join the fun as we travel the world!		
Pay it Forward!	\$10.00 fee	Grades 3-7
Students will work collaboratively to research, develop, and deliver a "Pay it Forward" project for the school or the local community. With the teacher as the facilitator, students will use organizational and decision making skills to choose a cause, and develop a plan to carry out a "Pay it Forward" project. Examples include but are not limited to: a food drive, adopting the school grounds, work with Woodshop to build and paint a bench for the park, etc.		
STEM Challenge	\$10.00 fee	Grades 4-7
Students will have the opportunity to participate in an innovative, engaging and fun learning class designed around Science, Technology, Engineering, and Math (STEM). This class is all about creating, building, problem solving, and working together to solve a challenge using everyday items. Example: Use the following items to launch a marshmallow peep the farthest distance: string, mouse trap, rubber bands, popsicle sticks, paper plates, plastic spoons, and tape. Time will be allotted for planning, research, construction, and testing.		
Summer Newspaper	\$5.00 fee	Grades 3-7
Learn to develop, lay-out, and create a student newspaper filled with high-interest stories, opinions, advice, graphs, poetry, ads, and cartoons. Be a writer, reporter, movie reviewer, or interviewer!		
Team Sports and Activities	\$5.00 fee	Grades 2-7
Students will experience a variety of physical education games, activities, and skills. Sportsmanship, team cooperation, as well as skills will be emphasized.		
Tween Art Scene	\$10.00 fee	Grades 4-7
Students will create cool crafts and projects geared toward their age group.
