

3-5 Year Old Developmental Screenings

Is it time for your child's "Other Check-Up"?

The Developmental Screening is designed to:

Educate families about typical child development and growth

Develop/Expand awareness of available community resources

Identify young children in need of further assessment

The Appleton Area School District recommends that
ALL children participate in a developmental screening:

- Children should be screened on or after their 3rd birthday
- We prefer to see children at age 3 and before entering 4K
- If your child is currently attending 4K, and has not been screened, please contact us to schedule an appointment.

To Schedule an Appointment
Please call Sharon at 920-832-6109

Parents or Guardians do not need to have concerns to schedule a screening!

SEPTEMBER 2017

Where:

Community Early Learning Ctr, 313 S. State St.

Community Early Learning Ctr, 313 S. State St.

Community Early Learning Ctr, 313 S. State St.

Appleton Public Library, 225 N. Oneida St.

Community Early Learning Ctr, 313 S. State St.

Appleton Public Library, 225 N. Oneida St.

Community Early Learning Ctr, 313 S. State St.
