What makes Wilson special?

Wilson's strength is in the diversity of its student population and the positive and welcoming manner in which students and staff interact.

For the second consecutive year, Wilson has been named a Bronze award winner by the Wisconsin RTI Center for efforts to implement a culturally responsive multi-level system of support. Positive student behavior

is reinforced in a variety of ways, including monthly all-school celebrations and reward incentives.

Wilson has a number of academic supports for students who need additional help as they work towards personal success. We truly live out our Mission of providing a safe, rigorous, and inclusive learning environment through our commitment to Equity, Respect, Crea-

tivity, Leadership, and Collaboration. None of the success we've seen would be possible without our unbelievable staff here at Wilson. From teacher to paraprofessional, everyone at Wilson goes above and beyond to Ensure Success for Every Student! We encourage you to visit our school and see for yourself; please call the office to arrange for a visit.

Opportunities at Wilson

Wilson is proud to provide many opportunities for its students to succeed. Whether it is the aforementioned behavioral and academic supports or it is "Learning beyond the Classroom" through extra-curricular activities and clubs, Wilson has something for everyone.

Wilson provides a number of sports for both boys and girls including football, volleyball, cross-country, basketball, softball, wrestling, and track & field. Additionally, Wilson has a band, orchestra, and choir as part of the curricular experience, and additional musical experiences as part of its extra-

curricular offerings. These offerings include men's choir, women's choir, chamber choir, Jazz Band, and combined Fine Arts Night where students are able to showcase their talents in music and the visual arts. Finally, our all-school musical always features 50 or more of our talented students.

Wilson has an active student council, a yearbook team, and an awesome ski club! Through a partnership with the Boys and Girls Club, Wilson has a before and after school program where kids get homework help and do fun activities.
