

HISPANIC/LATINX HERITAGE MONTH EVENTS

This year we're highlighting the strength that comes when people of all backgrounds come together and support each other. The Latino community comprises bright, beautiful, and diverse cultures that we want to embrace and appreciate throughout Hispanic/Latinx Heritage Month!

We invite you to join us in this year's events, where we'll be learning and appreciating culture through dance, film, games, and panels! Please join us, and don't forget to bring your heart and mind and always indulge in what we have to offer. We enjoy educating and learning from one another!

All events are sponsored by the Diversity, Equity, and Inclusion Department, AASD Welcome Center,
2701 N Oneida Street Appleton, WI (920) 832-6138.
