

As a nationally recognized organization committed to building a healthier community through youth sports, Appleton Parks and Recreation is excited to announce the new name for our youth sports leagues...THE "A" LEAGUES. Same great developmental leagues and experience for the participants but a new and compelling name.

The "A" stands for Appleton and we are proud of our community and to continue with our tradition of offering high quality youth sports leagues that fit our core values (see below). We want a name that is recognizable out in the community and to provide our participants with a sense of ownership and pride.
