Registration will be conducted online

www.aasd.k12.wi.us/families/summer_school_information

Current AASD students and private school students that attended last summer: Parents/ guardians will receive an email or message on the parent portal on April 8th to view what school site that the student will have enrollment access to for summer school. Enrollment will be open to the school the student will attend the next school year. Private school students will have access to the site that they attended last summer. If the student would like to attend a different school for summer school, please [click here](#) or contact [kadolphkarrie@asds.k12.wi.us](mailto:kadolphtarrie@asds.k12.wi.us) or 852-5332 ext. 60350.

Course registration opens April 15th. Parents/guardians will register for summer school courses via the Infinite Campus Portal. Student's finalized schedules and fees will also be available for viewing in the Portal within one week after registering the student. Fees may be paid online, also through the portal. Online registration will close on June 3rd; however, registration forms may be dropped off at the school site after that time. If assistance is needed logging on to Infinite Campus, please contact the Helpdesk at helpdesk@asds.k12.wi.us or 920-852-5555 ext. 63159.

<https://appletonwi.infinitecampus.org/campus/portal/appleton.jsp>

New out of district or private school students: Please complete and return the form for the specific school to the school your child wishes to attend for summer school.

Summer B.O.O.S.T.

Building Outstanding Opportunities for Students Together

A DPI funded ESSER grant-based collaboration between the AASD and the Boys & Girls Clubs of the Fox Valley

Participating schools: Badger, Classical, Columbus, Edison, Foster, Highlands, Houdini, Huntley, Einstein, Kaleidoscope, Madison, and Wilson

Grades: Students entering 1st - 9th grades next fall

Dates: June 10th -July 19th (No school on 6/19, 7/4, 7/5)

Purpose: Provide opportunities for academic instruction and enrichment to help students practice their reading and math skills during summer. It will deliver targeted curriculum and academic programs to prevent summer learning loss. Staff will provide daily opportunities for socialization, structured enrichment activities designed to engage students with one another and adult mentoring to increase students' feelings of connectedness to peers. Staff will also provide weekly social emotional learning programs to assist students in developing stronger self-regulation skills and maintaining positive, productive relationships with peers, parents, and teachers.

During the Summer School Session: June 10th -July 3rd (No school on 6/19)

Badger, Columbus, Edison, Foster, Highlands, Kaleidoscope, Madison:

Students will enroll in summer school classes at the school site and attend the Boys & Girls Club after-care program at that school site. Guardians will pick their student(s) up by 5:30 pm.

Classical, Houdini, Huntley, Einstein, and Wilson:

Students will enroll in summer school classes at the school site. Students will then be bussed free of charge to another location for lunch and afternoon programming through the Boys & Girls Club. Guardians will pick up their student(s) at their determined location by 5:30 pm. Specific location information will be provided before programming begins, but may include Badger, Columbus, Edison, Foster, Highlands, Kaleidoscope or Madison.

After the Summer School Session: July 8th -19th

Badger, Columbus, Edison, Foster Highlands, Kaleidoscope, Madison:

Students will attend the 2-week program from 8:00 am-5:30 pm daily at their home school site. Guardians will pick their student(s) up by 5:30 pm.

Classical, Houdini, Huntley, Einstein, and Wilson:

Students will attend the 2-week program from 8:00 am-5:30 pm daily at another school site. A bus will pick students up at their home school site at 8:00am. Guardians will pick their student(s) up at the designated location by 5:30 pm. Specific location information will be provided before programming begins, but may include Badger, Columbus, Edison, Foster, Highlands, Kaleidoscope or Madison.

Additional information:

- Students must register for summer school classes and the B.O.O.S.T program at one of the participating schools: www.aasd.k12.wi.us/families/summer_school_information
- Guardians will then be contacted by the Boys & Girls Clubs of the Fox Valley for additional information.
- Information on B.O.O.S.T programming curriculum can be found at: <https://www.bgclubfoxvalley.org/>
- Registration for the 2-week BOOST program is free of charge
- Summer Food service will provide free meals at most sites for the 6 weeks
- If your student attends a different school site and you'd like more information, please contact kadolphkarrie@asd.k12.wi.us or 852-5332 ext. 60350.

This class will provide you with the knowledge to live a healthy lifestyle through cardiovascular conditioning and strength training. It will teach proper techniques with emphasis on improved cardiovascular conditioning, body toning and a better understanding of physical fitness and wellness. Workout plans can be individualized for each student. Students can set personal goals and track their progress with the help of the instructors. This class is for the beginner, intermediate or advanced male or female student. Sign up on the first day of attendance at the site you plan to attend.

FEE: None.

Middle Course Descriptions for all Sites

See school site schedule for specific class offerings, not all classes offered at every school site

****When looking at grade level, use grade entering in fall.*

Art Studio

\$15.00

Students will participate in an advanced art making environment that will help fine tune their visual art skills. Studio time will be spent diving deep into a variety of art avenues including drawing, painting and sculpture while enhancing problem solving and creative thinking skills. Projects will include those that are lead by the instructor and free choice.

Athletics

No fee

The focus of this course will be on participating in team/individual sports and fitness activities. Basic skills, rules and strategies for each activity will be taught to enhance participants' understanding of different sports and fitness activities. Activities may include, but are not limited to: football, volleyball, basketball, cross country, soccer, dance, and personal fitness. Students who complete this class should be able to confidently participate in recreational activities that will enhance their lifelong fitness. For classes held offsite, transportation is not available. The following class will be offered at West HS-Basketball.

Backstage Crew

\$10.00

Participants will learn the ins and the outs of putting on plays and other performances. Special attention will be paid to lights, sound and set construction. The class will culminate in the support of performances by the Dance and Theater classes.

Cooking

\$15.00

Learn the basics of cooking and baking while discovering some simple healthy substitutions. Come see what new dishes we will be preparing this year! Any of these delicious foods will be great to bring to a gathering of family or friends! Students will create a cookbook filled with recipes so they can recreate their favorite dishes at home. Curriculum may deviate from the standards of AASD nutrition policy. Healthy foods will be prepared when possible.

Costume Design

\$10.00

Students will collaborate with the Theater class to create costumes for themselves and those in the Theater class. At the end of summer school, participants' creations will be used in a performance in conjunction with the Theater, Dance and Backstage Crew classes.

Creative Writing Club

\$5.00

In this class, an important life skill comes alive as students learn to write epic stories, create stilly tales, explore poetry, essays, lyrics and journaling. Designed for students who love to read, write and use imagination to create their own worlds, characters, and places. Daily journaling prompts will be provided, and students will have the ability to engage in conversation to discuss their thoughts.

Dance

\$5.00

Participants will learn and practice multiple methods of dance. This class will culminate in a performance in conjunction with the Theater and Backstage Crew classes.

English Language Arts

\$5.00

Ever want to be someone else? Ever want to explore new worlds? Ever want to try something you never thought possible? This summer, through high-interest teen literature, you'll have an adventure of a lifetime alongside your peers! Our adventure will include reading a chapter book, writing, and may end with an integrated arts project to share at the end of summer school.

English Language Arts for English Language Learners

\$5.00

(2 hour class)- Open to ELL students entering grades 7 and 8 who have an English language proficiency level of 1 or 2. ELL students in this class will continue to develop their oral language, vocabulary and literacy skills by engaging in a variety of high-interest texts. Students will have opportunities to read, write, share their ideas, and listen to others as they explore books and topics from all content areas.

English Language Learners Literature Exploration

\$5.00

(1 hour class)- Open to ELL students entering grades 7 and 8 who have an English language proficiency level of 3- 5. ELL students in this class will immerse themselves in a variety of high-interest texts, including poetry, literature, and informational texts that represent many perspectives. Students will dig deep into the books, exploring the stories and characters to support their written reflections and collaborative conversations.

Extraordinary Experiments

\$10.00

Students will explore the ideas and concepts of science through many different activities and experiments, which may include making their own silly putty or bouncy balls. Students will create many different chemical reactions, explore different scientific ideas through projects, and begin to understand the science involved in so many common situations and objects we see every day.

Forensics- Speech and Debate

\$5.00

Students will explore the two genres of forensics in WI (Interpretation of Literature and Public Speaking). They will use plays, stories, poems, or their own writings to focus on the details of preparing a quality performance using various communication skills including speaking and listening. Learn how to play with different acting techniques that address line interpretation, character development, stage fright, body language, and improvisational theater in a solo, partner, or group setting. Leave this class ready to perform on your school's forensics team having explored the 15 different events available to middle school students in our state.

Free Choice Art

\$10.00

Students will utilize the TAB (Teaching the Artistic Behavior) process of free choice art for their chosen medium. They will learn to envision, plan, and practice to create! They will have access to create with all mediums in the art room (paint, wire, clay, beads, etc.).

Fun Run Club	\$5.00
Students will learn about the importance of healthy lifestyles and being physically active. Students will warm up, jog/run, cool down, set goals, document their progress, and celebrate their achievements.	
Graphic Novels, Comics and Bullet Journals	\$5.00
Students will read, explore and create their own graphic novels, comics, and journals to support their reading and writing skills. They will be provided with writing prompts, and may be encouraged to share some of their work with the class.	
Group Drumming, Drum Set & Gamelan	\$10.00
Students will explore rhythm and music making utilizing body percussion and bucket drumming in small and large groups on established pieces and new creations, with notation and learning by rote. Instruments of focus will include Buckets and other Group Percussion, Balinese Gamelan Anklung, and Drum Set.	
Gym & Outdoor Games	\$5.00
Gym and outdoor games such as soccer, softball, kickball, and more provide an excellent activity for coeducational play in which social skills, sportsmanship, cooperation, and team play can easily be developed. Whether you are trying out for your school team or just want to meet new friends, this course will meet your needs. Learn and practice skills, participate in friendly competition, and put your skills into game action FUN!	
Keyboards, Boomwhackers & Handbells	\$10.00
Students will dive into pitched instruments such as Keyboard/Piano, Boomwhackers and Handbells with group and individual learning. Students will also get a taste of more serious practicing, personal planning and decision making, and performance along with the introduction/use of pitch/melody/note-reading and more.	
Let's Get Crafting!	\$15.00
Students will be introduced to a variety of two and three-dimensional projects, including painting, drawing, and designing unique creations to decorate lockers, display at home, or give as gifts. Samples will be used to teach techniques. Emphasis is on creativity and self-expression.	
Math Games	\$5.00
Various fun math games, problem solving strategies and hand on practice will be used in class to reinforce math skills from the prior year.	
Math Reinforcement	\$5.00
For students who need assistance and practice with the math concepts from the prior year. Small group and individual instruction will include hands-on practice, math games, and problem-solving strategies.	
Memory Makers	\$10.00
Students will integrate critical social skills by learning the art of preserving thoughts and memories, expressing themselves through writing and art, and engage in discussion by sharing thoughts. Students will be provided with a daily prompt for their journal or diary, will create various picture frames and photo magnets, and learn scrapbooking.	
Mindful Arts and Games	\$5.00
Learn how to have a strong mind and body! This class will help students identify, express and name feelings through hands-on activities, journaling and literature. Students will create their own personal "tool box" for dealing with tough emotions. Students will learn yoga poses, the importance of relaxation and balance, work on social and friendship skills through role play and games and practice supporting each other.	
Rocket Building and Launching	\$15.00
Students will build air pressured rockets as well have the option of building air pressured rocket launchers that they will be able to keep and use for years to come. Students will also build rockets that are powered by a solid fuel engine. Fees include the cost of one rocket and one solid fuel engine as well assembly materials for the air pressured rockets.	
School Spirit	\$10.00
Students will work collaboratively to research, develop, and deliver a beautification project for the school. With the teacher as the facilitator, students will use organizational and decision-making skills to choose a cause and develop a plan to carry out a project. Examples include but are not limited to: a food drive, adopting the school grounds, creating locker signs, planting flowers, painting a mural, building and painting benches, etc.	
Science Exploration	\$10.00
Students will explore biology, chemistry, physics and astronomy through experiments, scientific observation, games, and critical thinking. Science topics may include genetics, ecology, evolution, marine biology, human body systems, astronomy, zoology, experiments, and more!	
Strategy Games	\$5.00
Use strategy and thinking skills while learning to play a wide range of games like chess, Settlers of Catan, Risk, Farkel, UNO, Phase 10, cards, dominoes and dice. Students will work on critical thinking, problem solving, social skills, and concentration. They will use what they've learned to create and build their own game to share with the class. This is a chance to be clever, create challenges, and fill their games with surprises, suspense, and traps!	
Strength and Conditioning	\$5.00
Students will learn the fundamentals of weight training, cardio training, resistance training and stretching. Students will learn with a variety of methods and equipment in order to reach their peak performance. This class is for beginners both male and female to gain muscle tone, burn some calories, and promote a healthy life style.	
Summer STEM	\$10.00
Solar Vehicles! Bridges! Hovercrafts and more! This class is for students that are creative and like to design and build. Join this workshop to design, build and test out various structures and machines. This is a great way to put into practice math, science and technology skills at all levels. Time will be allotted for planning, research, construction, and testing.	

Theater**\$10.00**

This class will focus on performance skills and putting on a production. At the end of summer school, participants will perform a play in conjunction with the Costume Design, Dance and Backstage Crew classes.

Tied Trends**\$10.00**

In this creative and hands-on class, students will learn varying ways to work with fibers, which may include macramé, crocheting amigurumi, hand-sewing, knitting, weaving, and more!

Ukulele & Guitar**\$10.00**

Students will study both melodic and harmonic/accompaniment playing on stringed instruments with guitars and ukuleles. Strumming patterns, chords, chord charts, tab, and standard music notation, and the physics of string instruments will all be explored!

Video Game Design**\$5.00**

Students will learn how to write, design and create their own video game using various platforms. Students will learn the different aspects of video game design and increase their writing skills in an exciting and interactive way.

Volleyball**\$5.00**

Volleyball is an excellent activity for coeducational play in which social skills, sportsmanship, cooperation and team play can easily be developed. Whether a student is trying out for the school team or just wants to meet new friends-this course will meet their needs. Learn and practice skills; participate in friendly competition, and put the skills into game action FUN!

Welcome to Kaleidoscope Academy**\$5.00**

This course is for incoming 6th graders, or any students that are new to KA next year that have passions they want to learn and research more about. Incoming middle school students will be introduced to their school environment through tours and school-specific procedures. Students will be introduced to project and inquiry-based learning through this course. It is intended to prepare incoming or new students for project-based learning at KA but all students are welcome! The project topics will be driven by the students' passions and interests.

Welcome to Middle School**\$5.00**

Incoming middle school students will be introduced to their school environment through tours and school specific procedures. They will also gain an understanding of the study skills that are necessary to be successful. Topics will include learning what resources will help them succeed in their classes, organization skills, general study skills and/or technology, and test taking strategies. Skills will be taught through lecture and videos, while being reinforced through discussion, activities, and games.

Yoga and Mindfulness**\$10.00**

Students will practice breathing exercises, yoga poses, games, visualizations, and relaxation activities. They will pay attention to thoughts and environment to help meet daily challenges with more openness, care and compassion.
