Previous Participants have said:

"I feel like I can stand up for myself and advocate more for others when I see it happening and with the information that I learned in this SRI I think that I can bring background information into advocating for others."

"The SRI made me feel so happy in life, it made my summer so fun. I got to meet new friends and people."

"The SRI impacted me because now I know our voices can be heard."

**"Nothing about us, without us, is for us."**
