Table Introductions

- **Name**
- **Connection to the AASD**
- **Why did you agree to serve?**

The committee's **charge is to serve in an advisory capacity to Appleton Area School District administration and Board of Education. The committee will support the District's efforts to explore long-term facilities options that best provide the necessary space for students.**

Why?

- **Concerns about enrollment growth on the North side of the District in 2016 led to Hoffman completing a Capacity Study.**
- **Capital project requests from schools often cannot be funded through our yearly budget (\$2,500,000).**
- **Our schools were built for an outdated educational model.**

Activities and Process

K-12 Market Leader/Senior Project Architect

Hoffman Planning, Design & Construction Inc.

- **Timelines of Meetings** (see handout)
- **How will the committee meet its charge?**

- 1. Committee recommends solutions to the Board of Education and District administration.**
- 2. Committee determines no needs rise to level of needing action.**
- 3. Committee would like more time to evaluate the needs of the District.**
