Essential Life Skills

Students will acquire the developmental skills necessary to lead healthy, satisfying, self-directed, and productive lives in the following domains:

- 3.1 Cognitive development, including critical, analytical, and creative thinking.
- 3.2 Financial Literacy, including the ability to understand, evaluate, and communicate information about money and financial services
- 3.3 Communications development, including the ability to listen and express themselves effectively.
- 3.4 Social development, including the ability to establish and maintain positive relationships with others, to function as members of teams and to contribute to the common good.
- 3.5 Moral and ethical character development, including respect, empathy, and compassion for others and accountability for their own actions.
- 3.6 Psychological development, including resilience, adaptability, the ability to manage their own emotions and to maintain positive self-worth.
- 3.7 Career development, including exploring and identifying aptitudes, interests, passions, and understanding of career expectations.
