Late Start Dates

The Appleton Area School District will again hold monthly Late Start Instructional Collaboration Days during the 2019-2020 school year. The purpose of this time is to allow teams of teachers consistent collaboration opportunities to review student progress and plan for instruction. The school day on Late Starts will begin **exactly two hours later than the regularly scheduled start time.**

The two hour late starts will occur on the second Wednesday of each month, with the exception of January, April, and May 2020. The late start in April will occur on the first Wednesday due to Spring Break being scheduled on the second Wednesday. There are two late start dates in January and May.

The Late Start dates are listed below as well as are included on the 2019-2020 Appleton Area School District calendar which is available on the AASD website.
