Registration will be conducted online this year!

Enrollment in some classes may be limited. Please see the following website for more information. [www.aasd.k12.wi.us/families/summer_school_information](http://www.aasd.k12.wi.us/families/summer_school_information)

Parents/guardians will have access to view available summer school enrollments for each student on March 2nd. Enrollment will be open to the school the student attends during the school year. If the student would like to attend a different school for summer school, please contact kadolphkarrie@aasd.k12.wi.us or 832-4976.

[https://appletonwi.infinitecampus.org/campus/portal/appleton.jsp](https://appletonwi.infinitecampus.org/campus/portal/appleton.jsp)

Course registration opens March 30th. Parents/guardians will register for summer school courses via the Infinite Campus Portal. Student's schedules and fees will also be available for viewing in the Portal within one week after registering the student. Fees may be paid online, also through the portal.

If assistance is needed logging on to Infinite Campus, please contact the Helpdesk at helpdesk@aasd.k12.wi.us or 920-993-7062 ext 2140.

**Out of district students:** students that attended summer school last summer will automatically be enrolled at the same summer school site. Please log on to Infinite Campus to view class availability. If you need assistance logging on, please contact the Helpdesk at helpdesk@aasd.k12.wi.us or 920-993-7062 ext 2140. Students that did not attend last summer will need to contact kadolphkarrie@aasd.k12.wi.us or 832-4976.

If you do not wish to use the online registration process, please complete and return the last two pages of this packet to the school your child wishes to attend for summer school.

For more information, contact Food Service Office: 832-1719
Course Descriptions

***When looking at grade level, use grade entering in fall.

Advanced Cooking $15.00
Explore various foods and nutritional value by making thoughtful choices to menu selections. This hands-on advanced cookery course will indulge your passion of the culinary arts. Curriculum may deviate from the standards of AASD nutrition policy. Healthy foods will be prepared when possible.

Art Studio $10.00
During this four week course, students will participate in an advanced art making environment that will help fine tune their visual art skills. Studio time will be spent diving deep into a variety of art avenues including drawing, painting and sculpture while enhancing problem solving and creative thinking skills.

Backstage Crew $10.00
Participants will learn the ins and the outs of putting on plays and other performances. Special attention will be paid to lights, sound and set construction. The class will culminate in the support of performances by the Dance and Theater classes.

Basketball $5.00
Basketball is an excellent activity to learn life skills such as communication, cooperation, team play, as well as sportsmanship. Whether you are trying out for your school team or just want to meet new friends, this course will meet your needs. Learn and practice skills, participate in friendly competition, and put your skills into game action FUN!

Cardio 101 $5.00
Welcome to the world of running! Students in Cardio 101 will learn the fundamentals of running and the importance of developing healthy life-long habits. Students will have the opportunity to improve their overall cardio and prepare themselves for Cross Country and other sports in the fall.

Cooking $15.00
Learn the basics of cooking and baking while discovering some simple healthy substitutions. Come see what new dishes we will be preparing this year! Any of these delicious foods will be great to bring to a gathering of family or friends! Recipes will be distributed during the last week of class so students can recreate their favorite dishes at home. Curriculum may deviate from the standards of AASD nutrition policy. Healthy foods will be prepared when possible.

Costume Design $10.00
Students will collaborate with the Theater class to create costumes for themselves and those in the Theater class. At the end of summer school, participants’ creations will be used in a performance in conjunction with the Theater, Dance and Backstage Crew classes.

Crafts & Gifts $10.00
Students will be introduced to a variety of two and three-dimensional projects, including painting, drawing, and designing unique creations to decorate lockers, display at home, or give as gifts. Samples will be used to teach techniques. Emphasis is on creativity and self-expression.

Dance $5.00
Participants will learn and practice multiple methods of dance. This class will culminate in a performance in conjunction with the Theater and Backstage Crew classes.

Digital Explorations & Coding $5.00
Students will explore digital image editing, digital movie tools, website development and some of the fundamentals of programming and network gaming. The focus of this course is developing technology literacy through experimentation while having fun and being creative. Students may also expand their editing skills and programming knowledge to create web pages, movies, and interactive 3-D environments.

English Language Arts $5.00
Ever want to be someone else? Ever want to explore new worlds? Ever want to try something you never thought possible? This summer, through high-interest teen literature, you’ll have an adventure of a lifetime alongside your peers! This adventure will also help you dig deeper into yourself through the art of writing. Throughout the process you will unknowingly become the reader and writer you’ve always thought you could be. Come along for the ride!

Fire Up for Fitness $5.00
Students will have access to the Roosevelt Fitness Center. Students will learn the fundamentals of weight training, cardio training, resistance training and stretching. Students will learn a variety of methods and equipment in order to reach their peak performance.

Gym & Outdoor Games $5.00
Gym and outdoor games such as soccer, softball, kickball, and more provide an excellent activity for coeducational play in which social skills, sportsmanship, cooperation, and team play can easily be developed. Whether you are trying out for your school team or just want to meet new friends, this course will meet your needs. Learn and practice skills, participate in friendly competition, and put your skills into game action FUN!

Introduction to Middle School Technologies $5.00
An exploration of technologies divided into weekly units. The technologies to be covered include WEB 2.0 (advanced use of the internet), digital audio recording and mixing, video editing, and review basics (PowerPoint, spreadsheet, word processing, etc.).

Junkbox Wars $15.00
Students will work individually and in teams to solve a challenge using a “junk box” filled with everyday items. Example: Use the following items to launch a marshmallow peep the farthest distance: string, mouse trap, rubber bands, popsicle sticks, paper plates, plastic spoons, and tape. Time will be allotted for planning, research, construction, and testing.

KA Accelerated Math Completion $5.00
This math course is for students who need to finish 7th or 8th grade content in order to enroll in an advanced course at KA in the fall of 2020.

Math Review and Reinforcement for 6th Graders
For incoming 6th graders who need assistance and practice with 5th grade math concepts. Small group and individual instruction will include hands-on practice, math games, and problem solving strategies.
Math Review and Reinforcement for 7th Graders
For incoming 7th graders who need assistance and practice with 6th grade math concepts. Small group and individual instruction will include hands-on practice, math games, and problem solving strategies.

Math Review and Reinforcement for 8th-9th Graders
For incoming 8th and 9th graders who need assistance and practice with 7th-8th grade math concepts. Small group and individual instruction will include hands-on practice, math games, and problem solving strategies.

Paper Crafts $10.00
Participants will utilize different types of paper to create many projects. Scrapbooking, card making and creative journaling will all be included.

Pay it Forward! $10.00
Students will work collaboratively to research, develop, and deliver a “Pay it Forward” project for the school or the local community. With the teacher as the facilitator, students will use organizational and decision making skills to choose a cause, and develop a plan to carry out a “Pay it Forward” project. Examples include but are not limited to: a food drive, adopting the school grounds, work with Woodshop to build and paint a park bench.

Reading Refuge $5.00
Reading Refuge is a class for book lovers! Students will dive into different genres of literature and learn about the major elements of a story.

Rocket Building and Launching $15.00
Students will build air pressured rockets as well have the option of building air pressured rocket launchers that they will be able to keep and use for years to come. Students will also build rockets that are powered by a solid fuel engine. Fees include the cost of one rocket and one solid fuel engine as well assembly materials for the air pressured rockets.

STEMania Workshop $5.00
Solar Vehicles! Bridges! Hovercrafts and more! Are you creative and like to design and build? If this describes you, come to join this workshop as we design, build and test out various structures and machines. This is a great way to put into practice your math, science and technology skills at all levels.

Volleyball $5.00
Volleyball is an excellent activity for coeducational play in which social skills, sportsmanship, cooperation and team play can easily be developed. Whether you are trying out for your school team or just want to meet new friends this course will meet your needs. Learn and practice skills; participate in friendly competition, and put your skills into game action FUN!

Lifetime Fitness for You - Located at East High School, North High School, and West High School FREE
Do you want to increase or tone muscle, lost weight or learn proper eating habits for a healthy lifestyle? This class will provide you with the knowledge to live a healthy lifestyle through cardiovascular conditioning, strength training and nutritional diet. This class will teach proper techniques with emphasis on improved cardiovascular conditioning, body toning and a better understanding of physical fitness and wellness. Workout and diet plans can be individualized for each student. Students can set personal goals and track their progress with the help of the instructors. This class is for the beginner, intermediate or advanced male or female student. Sign up on the first day of attendance at the site you plan to attend or print registration form at http://www.aasd.k12.wi.us/district/district_departments___contacts/standards___curriculum/summer_school/!

Additional Camps and Classes are available during the summer through AASD!
